<p>1. This is merely to complete the record on the mailing operation referred to in reference B and to report that several weeks ago 580 copies of reference publication were delivered to the Paris address which was established in reference C, were securely picked up by us and were subsequently mailed to the selected CP addressees.</p> <p>2. No reaction to this mailing has yet been noted, but we very much appreciate the efforts of the Branch in bringing to a successful operational conclusion our part in this long delayed one-time covert propaganda activity.</p>
